

Interfaith Peace Working Group

The Interfaith Peace Working Group*

invites you to a

Vigil for Peace in Ukraine and the World

October 1 - 7:00-8:00 pm

Capitol Square - State Street Steps

In the spirit of building a worldwide peace community,
we invite you to bring a short poem, prayer, or blessing for peace -
but from a religious or secular tradition that is not your own.

In addition, there will be music, singing, and silence in this
ritual of commemoration, grief, and hope.

*In partnership with Code Pink, World Beyond War, Veterans for Peace,
and the Wisconsin Network for Peace and Justice
